A Preschool Attendance Fee of $35.00 per week per child is payable in line with the NSW Government Policy ‘Preschool Class Fees in Government Preschools’.

The Preschool Attendance Fee for Aboriginal students and students of families which hold a current Commonwealth Health Care Card or Pension Card is $15.00 per week per child. (You are required to provide the original Commonwealth Health Care Card or Pension Card to the office to be photocopied).

In exceptional circumstances parents are able to apply for a full fee exemption. The Principal will be able to exercise his discretion and grant a full fee exemption where the child would not otherwise be able to attend Preschool. Please make an appointment to meet with the Principal concerning your eligibility for fee relief.

How will I pay my Preschool Attendance Fees?

• Parents will be invoiced at the beginning of each Term and payments can be made weekly or in full at the beginning of the term. All outstanding payments must be paid in full by the end of each Term.

• Money envelopes will be put in your child’s personal pocket located in the foyer of the Preschool every Monday. Please fill in payment details, insert money then return it to the money collection box located in the foyer by Thursday. You will be provided with a receipt the following week.

• If you are having difficulty paying your Preschool Attendance Fees please make an appointment to meet with the Principal to discuss a payment plan.

If you require further information regarding Preschool Attendance Fees or the NSW Government Policy ‘Preschool Class Fees in Government Preschools’ do not hesitate to contact the office on 9607 8202 to make an appointment to meet with the Principal or visit www.schools.nsw.edu.au.

Mr Koletti
Principal
