Science Fun Day

Wednesday 31st July 2013

All students across the school will participate in a wide range of fun and exciting science experiments throughout the day.

Activities include making super slime, circuits, making sherbet and creating things that fly.

The day will begin at 10am and will run until lunchtime. After lunch, there will be a 25 minute science demonstration run by Ashcroft High School in the hall.

Please come and join us on the day, we would love to see you there.
