This Thursday we will be holding our Healthy Food Day. The day will begin at 11:20am and will continue until lunchtime.

The aim of the day is to promote healthy lifestyle choices.

Activities on the day include coaching clinics from a variety of sports, a lecture from the National Rugby League, students making and eating a healthy sandwich, as well as other classroom activities focussing on healthy lifestyles.

Parents and family members are welcome to come along and join in on the activities.
